## Outstanding experience

Opened in 2008, Berrinba Wetlands is a high class destination that you must visit. Rehabilitated by clearing non-native trees and planting 230,000 Australian natives, the wetlands is a haven for wildlife. 100 nesting boxes have been placed for birds, possums and gliders.

Take a tour around the wide pathways and discover substantial bridges, one 80 metres long and 28 metres high.

You can choose a short circuit near Billabong Outlook or the longer Greater Wetland loop. The longest loop includes Freshwater Park and the boardwalk on Anderson Street.
